

**BACK TO SCHOOL – SCHOOL IMMUNIZATIONS
DR. DOMINIC LUCIA, PEDIATRICS, BAYLOR SCOTT & WHITE HEALTH**

{**ON CAM**}

FOR PARENTS AND PEDIATRICIANS, SCHOOL IS A BUSY SEASON – BUT DON'T FORGET TO BOOK YOUR CHILD AN APPOINTMENT TO UPDATE THEIR VACCINATIONS.

{**TAKE VO**}

TRT:

DOCTOR DOMINIC LUCIA (LU-CHEE-UH) AT MCLANE CHILDREN'S HOSPITAL ADVISES GETTING YOUR CHILD UP TO DATE ON IMMUNIZATIONS BEFORE THEY'RE EXPOSED TO ILLNESSES AT SCHOOL. HIS LINE OF WORK HAS TAUGHT HIM – VACCINES AREN'T JUST ABOUT PROJECTING *YOUR* CHILD, BUT ALSO THE CHILDREN AROUND THEM.

{**TAKE SOT**}

DR. DOMINIC LUCIA
BAYLOR SCOTT & WHITE

TRT: 19

“So, it's not only about the child themselves, but it's about protecting the other kids in school that are unable to get these because of immune deficiencies. So, it's really a family issue and a community issue, and when you go back to school that really puts that in the spotlight.”

{**ON CAM**}

UNSURE IF YOUR CHILD IS ALREADY UP TO DATE?
HE SAYS A QUICK CALL TO YOUR PEDIATRICIAN'S OFFICE – AND YOU SHOULD BE ABLE TO GET THAT INFORMATION.
